

27<sup>th</sup> March – Noel & Tricia Richards

Noel has been involved in the UK Christian Music scene since the age of 15. In the early years, he worked full time, as an associate with British Youth for Christ. Since 1980, he and his family have been based in Cobham, England. During this time, he has worked closely with Gerald Coates, leader of the Pioneer church network.

During the last 20 years, he has mainly been involved in leading worship and together with his wife Tricia and others, has written many worship songs. Perhaps the best known of these is "All Heaven Declares". He has recently appeared on BBC's Songs of Praise.

*Café Arts provides an relaxed evening of Christian entertainment, challenge and inspiration for anyone who would like to come. There is the opportunity to buy drinks and homemade cakes before the performance and during an interval. A Traidcraft Stall is also open selling a wide range of Fair Trade food and gifts, as well as a Christian bookstall.*
