(depending on experience)  
reviewed annually

Hours of work up to a maximum of 36 hours per week  
(4 year appointment subject to funding)

#### The Church

Cannon Lane Methodist Church is a medium sized, community based church in a residential area of the London Borough of Harrow. The Church has a tradition of lively worship and work amongst all age groups.

#### The Appointment

This new post focuses on facilitating the development of existing initiatives in the life of the Church and encouraging new project ideas. Developing strong links between the Church community and the local neighbourhood is of paramount importance to this role. This will include networking with older people, vulnerable people, families and children and young people.

#### The Person

The successful applicant will be a committed Christian, and will have good interpersonal skills. They will have had experience of working within a church community, with some project management experience. They will be able to work as part of a team, but also will be highly self motivated.
