

A Prayer for Good Friday.

Gracious God,
as we look today at your Son upon the cross,
we see his suffering woven into the suffering of your
world.

We pray that in these days of darkness and fear,
we might show the corage and faithfulness of Jesus,
willing to offer ourselves in the service of others.

We pray today for all in need,
for those who have died,
for those who mourn,
for those who live in fear of death.
In mercy, hear our prayer.

We pray today for all who serve,
for the NHS and all emergency services,
for volunteers and carers,
for those who lead our nation.
In mercym hear our prayer.

Hold us through this day and
give us a glimpse of the new life
that is to come.
In Christ's name. Amen.
