

# A Prayer for the Methodist Conference

Lord we want to be your new people.  
We pray for the work of the Methodist Conference meeting this week.  
As we confer together as your people,  
help us to be renewed by you as a Church.  
We ask that the vision of your Kingdom,  
of justice, love and peace,  
may be kept fresh in our minds  
of our leaders and people alike.

Lord we want to be your new people.  
We hold before you in prayer our new President and Vice President.  
For those who hold Connexional Office  
We ask that your Spirit may stir up our hearts  
with new hopes for the future.  
May we open our eyes to new horizons,  
to walk alongside those who are anxious  
for all things in you are made new.  
Amen
