

Prayers from the District

~ By Revd Timothy Bradshaw (Superintendent Minister of Islington and Camden Circuit)

This Connexional Year is going to be a key year for the Islington & Camden Mission Circuit. We are facing major changes in Circuit and local church life, as we seek to strengthen the Circuit and its churches so that we can be strong to face the future.

Prayer Requests:

The people of the Islington and Camden Circuit ask you to pray for:

- The Circuit as it plans for future staffing
- For Archway as it grows its work through creative art and new ways of worship
- For Caledonian Road as it rediscovers its place in the community
- For the Epworth at Euston, as it continues to grow (The Epworth at Euston is the Camden Town congregation now worshipping at the Wesley Hotel. It has been challenged to double in size before the Camden Town Church reopens. It has already done this and is still growing).
- For Islington Central as it seeks to discover ways to make better use of its premises
- For The Camden Project struggling to work within budget, as Covid-19 has meant that costs have soared
- For Second Chance the charity shop at Archway and its staff, volunteers, and customers
- For the Circuit staff: Robert (Administrator) and the ministers, David and Tim.
