

We pray for our ordinands, some who will be received into full Connexion in the Conference this year, some who will defer until next year. All will have to wait longer than expected to be ordained due to the Covid-19 restrictions. Please hold them, and all those who are moving forward in ministry, in prayer.

We thank you God
that you welcome all people into your family,
and through our baptism we came to share in the obligation
of all your people to share the good news of Jesus Christ.
We thank you that you continue to call women and men into particular
ministries, serving your church and through the church, your world.
We thank you for Esther, Kathy, Ken and Matthew;
for their gifts and graces,
for the ministries they have already offered
and for their families and friends who have supported them.
We pray that the churches they serve will encourage them,
uphold them and support them in love and grace.
We thank you for your Church, on earth and in heaven,
the body of Christ, continuing his mission.
We thank you for our calling
and pray that we will continue to serve you in faith and love.
In the name of Christ **Amen**
