

# Prayers from the District

~ By Revd Andrew Pottage (Superintendent Minister - Harrow and Hillingdon Circuit)

Everlasting God,

Your Word tells us that your promises are eternal and that you will never leave us.

We give thanks that as we emerge from the wilderness period of the pandemic, new horizons are before us.

Help us not to fall back into our old ways of being and doing but to strive towards new things.

Empower, enable, and envision us to embrace your Holy Spirit,

As we seek a new path forward to be your people moving forwards.

We continue to give thanks for the example, life and witness of our Lord Jesus Christ, Who challenges us always, to serve Him, with all our being.

Direct our paths, may our discipleship continue and may our churches reach out.

In Jesus name we pray,  
Amen
