

Prayers from the District

~ By Revd Sonia Hicks (Superintendent - Wembley Circuit)

Triune God, you invite us to share your love, mercy and peace. May we, in turn, share that same love, mercy and peace in the communities we worship in.

O God, you shower us with compassion in times of when our concern for others is weak. You show us grace in a world where kindness is in short supply. You dared to enter this world in Jesus Christ so that we may understand that no place is God-forsaken.

As we seek to serve you, O God, may we have compassion and grace in abundance.

May we dare to love others as you love us.

Now and always.

AMEN

The Wembley Circuit ask you to please pray for:

That the Circuit's vision to follow the Holy Habits programme may gain momentum and have greater influence among the churches and the communities we serve.

For greater unity in the Wembley circuit, especially among all levels of leadership, in the four churches and between the four churches.

For the Superintendent minister, Revd Sonia Hicks, as she takes up the presidency later this year. We pray for a fresh outpouring of God's wisdom and God's protection both for her and the incoming Vice President, Mrs Barbara Easton.
