

# Prayers from the District

~ By Revd Paul Timmis (on behalf of the Social Responsibility Commission (SRC))

God who holds and cherishes us and our memories  
at this time of remembering  
we hold before you  
all those whose memories of life are painful:

those damaged or displaced by war  
those fleeing oppression or persecution  
those longing for safety and security,  
those yearning for acceptance and welcome.

Help us, we pray, to work alongside others in this  
city  
- people of all faiths and none -  
to create places of sanctuary and healing  
that will see the wellbeing and flourishing of us all.
